Supplies

Mini Paper Lanterns
Liquid Watercolor Paint
Colored Craft Foam
Adhesive
Template
Ribbon

Instructions

1. Assemble the paper lantern and paint it with the violet liquid water color paint. Allow to dry.
2. Use the printable template to trace and cut out two bat wings, ears, eyes, fangs, and a nose and smile out of colored craft foam.
3. Glue the foam pieces onto the paper lantern as shown and allow to dry. Tie a length of ribbon onto the lantern for the hanger.
